

Overview

This business process guide demonstrates how to generate and print the temporary faculty contracts in a batch process. Use this process if you want to print multiple contracts for different individuals in a single batch process. The contract data that exists in the system for the temporary faculty will appear on the **Contract Appointment** letter/**Terms and Conditions** page.

Note: The contracts must exist in the system before you can run this process.

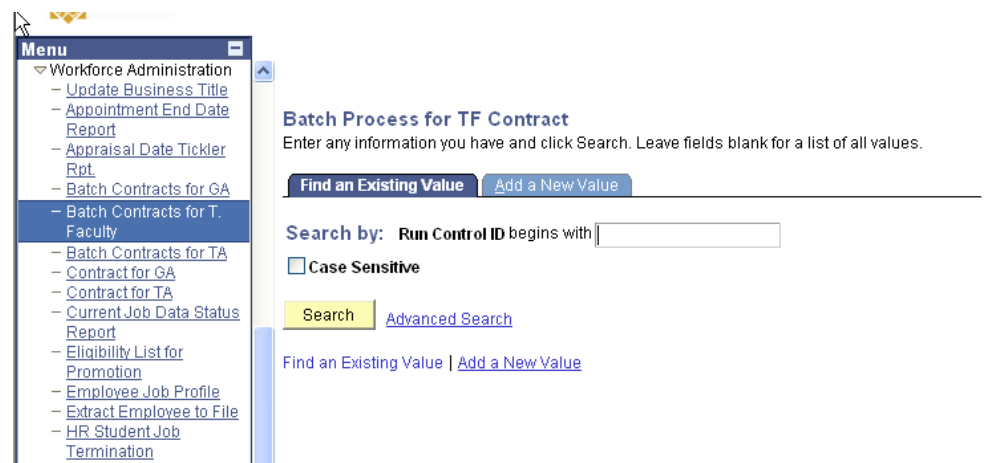

The Workforce Administration page displays.

1. From the **Main Menu**, navigate to **SJSU Human Resources > Workforce Administration**.
2. Click **Batch Contracts for T. Faculty**.

The Batch Process for TF Contract search page displays.

3. Click the **Search** button.

5. **Term:** Use the lookup button to search the appropriate term.
6. **Due Date:** (optional.) Enter due date.
7. **Dean's Name:** Enter your Dean's name.
8. Enter criteria to run by either EmplIDs or Dept:
 - **EmplID:** Enter the employee ID of the individuals for whom you want to run the contracts. Click the **Add [+]** button to insert additional EmplIDs, if needed.
 - **Dept:** Enter your department ID.

Note: If you run the batch process by DeptID, it will only print the new or unprinted contracts for that department. The process will not pickup any contracts that have been printed in the past. If you want to print any contracts that have been printed in the past, run the **Batch process by EmplID**.

9. Click the **Run** button.
